BRITISH ARMY FAVORS BOXING:

Military Authorities Encourage Bouts Whenever They Can Be Held Without Interfering With Duties-Manager of Phil Bloom Makes Attractive Offer in Effort to Land a Match With Freddie Welsh.

Must people would imagine that with the terrible war on in or, but not so with boxing. It seems to boxing has taken a deeper hold ver before. At one of the military Warner tournaments in London recent-. a splendid testimonial on the virues of boxing was given by Maj. John

Forster. In the course of his speech, he stated that too much attention could not be given to the sport when time permitted, it was the very thing for the soblier, for it added to his fearless nature, made him confident of himself and his powers and what was self and his powers and what was

361 and 393 Are Best Bat. ting Averages of the Two Major Leagues.

Chicago, III., May 27,-Individual playing of two Cleveland stars, Tris Speaker and John Graney, according to averages printed here today and neluding games of last Wednesday, over one of his famous knockout wallops when he meets Richte Mitchell in a ten round pattle before the Cream (Ity & C. at the Milwankee Auditorium, Friday night, June 17. It is a question that its agitating the minds of the Milwankee boxing fams and also Chicago. The fams know that White carries the sleep producer, for he has scored sen knockouts the past year or more, and against some of the beat fighteen in the east, but whether he can land on a shifty lad like Mitchell is another question.

The Milwankee flash has shown wonderful improvement the past year. has contributed in no small way to the success of the Indians. Speaker leads the batters of the American league with a percentage of 261 and has scored more runs than any other playe in the league, having crossed the plate 25 times.

25 times.

Grancy leads the league in home ring with four and in total bases with 64. Sisler of St. Louis has caught up with Judge of Washington in stolen hases, each being credited with ten. Washington leads the league in team hitting with 258.

fairly level piece of ground above the roadway near Patrero and covered with grass, bushes and trees; now it is only a fumbled muss of boulders, acres in extent and washed clean of all soil.

Homes Washed Away.
In others of those little valleys where pretty little ranches were nestled below the road last year—surrounded by trees, fruit, flowers and thay fields or gardens—today the pince is output clean from bank to lattic and it only a desolution of rock and sand.

Despite the great damning, a fairly good temporary road was quickly provided, pending permanent rebuilding, and travel was interrupted out a short time.
